

**Question:**

If an Agency serves more than one county, is it required that they have a tripartite board for each county?

**Answer:**

No, the Agency is not required to have a tripartite board in each county. However, the tripartite board is comprised of three sectors public, private, and low income and should be representative of the areas that it serves.

**Question:**

Describe an eligible entity.

**Answer:**

The definition of an eligible entity is described on page 6 of the Request for Application (RFA).
